ManufacturerDistillerie Aragonesi

Description

Perfect as an after-dinner digestif or for slow, contemplative sipping. Its rich, distinctive notes pair beautifully with chocolate and dried fruit.

Serving suggestion: Serve at room temperature in a tulip-shaped tasting glass.

Ingredients: Spirit distilled from Algarve dried figs.
Bottle size: 500 ml
Alcohol content: 42% vol.

The pure essence of the fig

This spirit captures the most intense and authentic expression of the dried fig.

Its remarkable aromatic depth is also what makes our Figaro fig liqueur so distinctive. Unlike conventional liqueurs, which typically use neutral alcohol to macerate the fruit, Figaro uses the very spirit distilled from the figs themselves. This rare technique enhances the fruit's natural character, resulting in exceptional depth, intensity and authenticity.
