Description

Flavored Fruit Infusion "Red Moon" – A Sensory Journey on the Island of Ischia

Explore the enchanting fruit infusion "Red Moon," a true sensory journey inspired by summer nights on the island of Ischia. This immersive blend is enriched with hibiscus flowers, known for their antioxidant and anti-inflammatory properties. Rosehip, rich in vitamin C and immune system booster, combines with elderberry, which among its many benefits also has an anti-flu effect, making it ideal for consumption as needed. Blackberry and raspberry leaves, rich in vitamin C, complete the symphony of flavors.

In the quiet atmosphere of this herbal tea, immerse yourself in memories of summer nights: the red moon rising, large and intimate to the right of the Mushroom of Lacco Ameno, the starry sky, the calm sea. Sit on the beach by the sea and let yourself be enveloped by this unique experience, capturing the magic of nights on the island of Ischia.

Red Moon is a herbal infusion suitable for children.
