"Red Poppies, Ceramic on Wood - A Work by Paolo May"

Description

This stunning handcrafted piece captures the enchantment of a moonlight night over the sea. The carefully crafted ceramic highlights the light and nuances of the night sky, while the elegant, sturdy wood frame provides a warm, natural contrast to the composition.

The delicate shades of blue, silver, and white, expertly used to depict the moon and waves, create an atmosphere of serenity and mystery, as if the sea itself were sinking into a dream. Every detail, from the soft waves breaking on the shore to the luminous moon, is crafted with mastery, lending the piece a sense of movement and harmony.

A unique artwork that blends nature, craftsmanship, and elegance, perfect for enhancing any space with a timeless sense of tranquility and beauty. Ideal as a decorative piece for the home, office, or any space where the serenity and poetry of nature can be appreciated every day.

Ceramic on wood. Measures 43cm x 36cm.
