Description

Thanks to the active ingredients present: **Snail slime, collagen, aloe, hyaluronic acid and elastin**; it removes skin oxygenation and hydration; carrying out an antioxidant action, soothing, regenerating and anti-wrinkle. It nourishes the epidermis giving elasticity, brightness and firmness from the first applications.

How to use: Gently remove the mask from the package and apply it to the previously cleansed face. Leave on for 10-15 minutes, remove and massage the residual product until completely absorbed. Avoid sun exposure for at least 30 minutes after the treatment.
