ManufacturerIschia Le Terme della Bellezza

Description

Stretches wrinkles while giving skin elasticity. Practical and elegant tiny handbag tube of 15 ml. Skin enjoys an immediate and visible effect thanks to its real smoothing out of wrinkles and face skin rejuvenation. Its particularly rich formula includes **Lipolight,**
Sepilift and **Cereasol**mixed with **mineral salts** contained in the**thermal water of Ischia**. Apply by spreading a small quantity inside wrinkles by means of the tiny dispenser and smooth out with finger tips to achieve an immediate lifting effect. After a few seconds apply your usual cream.
