Description

The Anti-Age Masculine Cream is recommended in particular for mature skin which needs to stimulate vitality and slow down the aging process. It is also excellent for impure / mixed skin. It has a deep nourishing, moisturizing and energizing action on the skin, restoring its natural balance to the epidermis. Innovative is the formulation of Lipoic Acid, considered the most powerful naturally occurring anti-radical and antioxidant, with natural ingredients, such as: Almond Oil, Rose Mosque Oil, Aloe Extract, the Dipalmiatoyl Hydroxyprolina and Rose stretching formula Canina. Thanks to Vitamins A, E and C, the surface micro-wrinkles are visibly reduced. The cream effectively counteracts the harmful action of the elements responsible for skin aging.

How to use: after shaving, spray After Shave Ischiafresh, let it dry and apply a thin layer of Anti-Age Masculine Cream.
