Description

Extremely rich in mineral salts and trace elements, they carry out an intense smoothing and emollient action on the epidermis. They are recommended for preparing the skin prior to the Ischia thermae cellulite treatment programme. They make bathing a pleasurable experience of relaxation and well being, leaving the skin pleasantly soft and silky.

APPLICAZIONE

2/3 times a week, dissolve 3 spoons of the salts into hot water 37/38°. Relax in the bath for at least 15 minutes.
