Description

Instructions for use: lay the collagen foil on the face. Fan Ischia Fresh "Freshness" to moisten it, then gently apply the Collagen Activating Gel. In this manner, the foil completely adheres to the face, let it sit for 20 minutes.

Collagen is one of the most important proteins, being one third of the total amount of proteins in the human body, in which it plays a big role: in structure, functionality of organs and tissues such as the skin, cartilage and muscle tissue. Skin aging is a complex phenomenon that involves several external factors, such as sun rays exposition (photoaging) or particular environment conditions (i.e. Pollution, smoke etc.), as well as internal ones, such as the passage of time and genetic predisposition.

Instruction for use: lay the collagen foil on the face. Fan Ischia Fresh "Freshness" to moisten it, then gently apply the Collagen Activating Gel. In this manner, the foil completely adheres to the face, let it sit for 20 minutes.
