Description

The Scheria Rosso is a product that was created to accompany the great Italian wines and as a challenge of a land that knows and wants to express itself, in all senses, at levels of excellence also in the recovery of a tradition that has made its history. Scheria Rosso is a wine of great structure, complex and harmonic. In the aromatic profile the aromas of oriental spices and red fruit predominate, which are well balanced with elegant hints of wood and animal skin. The recommended pairing is with red meats and game.
