Description

Product description

An ultra moisturizing and revitalizing treatment in which the freshness of the gel is combined with the silkiness of the cream, leaving a pleasant sensation of comfort on the skin. Rich in hyaluronic acid and grape extract (*Vitis vinifera*), enhanced by the energy and pure vitality of Ischia thermal water, it improves the elasticity of the skin, making the signs of aging less evident. Ideal for all skin types and ages. Used daily, this gel-cream improves the quality of the skin tissue ensuring, in addition to intense, deep and lasting hydration, a progressive restructuring action, for a face that is discovered day after day, radiant and visibly younger.

How to use: apply daily with a light massage, morning and / or evening, on the face, neck and décolleté after adequate cleaning and toning. It is ideally combined (after a deep cleansing) with the Anti Age Hyalu Mask and the Soft Filler for a truly effective synergistic treatment.
