Description

(Adjuvant against skin blemishes).

Massage cream based on plant extracts able to counteract cellulite and localized fat pads. It prevents sagging skin and promotes tissue oxygenation and skin detoxification thanks to Cinnamon essential oil. The skin regains tone and softness. The extracts of Ivy, Marine Algae, Horse Chestnut and Centella Asiatica have a draining action and exert a marked action on adipose overloads, helping to streamline the silhouette.

How to use: efficacy and pleasantness of use come together in the Anti-Cellulite Cream "H" which, thanks to the very smooth texture, is excellent for professional massage. It acts in depth favoring greater elasticity of the tissues and facilitating the elimination of excess fats and liquids. The use of the product must be supplemented with Anti-Cellulite Mud and Anti-cellulite Ice / Legs Gel.
