Description

Thermal Shower Oil, based on Ischia Thermae Thermal Water, is rich in emollient substances specifically designed for gentle cleansing and the well-being of dry, delicate, sensitive and hypersensitive skin.

It leaves the skin silky, silky and bright.

APPLICATION

Apply on damp skin, massage gently and rinse under the shower. Being a specific product for body skin detoxification, it can also be used for the bath, as long as it is applied directly to the damp skin and not diluted in water.
