### Description

Gel mask with a shock action that stretches the features and illuminates the skin giving the face a smoother appearance. Its consistency is fresh and plastic, gives a tensor effect making wrinkles and signs of expression less visible. The active ingredients contained in the formula are: Aloe, hydrolyzed soy protein and Vitamin E. Method of use: apply the product on the face and neck avoiding the area around the eyes and leave to dry for about 20 minutes. Remove with water.

Units in box: bottiglia
