ManufacturerIschia Le Terme della Bellezza

Description

The **A / C** and **F vitamin** complexes combined with the chemo-physical properties of the **thermal water**, **sweet almond oil** and the **wheat-germ oil** make this cream unique because of its cosmetic properties. If applied regularly, it will make even the most tired face bright and fresh, eliminating signs of tiredness and superficial wrinkles. Ideal as make-up base.

Units in box: bottiglia
