Description

The **mineral salts** contained in the **thermal water** combined with **wheatgerm oil**, sweet **almond oil**, **jaluronic acid** and **vitamin E**, make this cream unique.

It has a triple action:

- **a moisturising effect:** by allowing the skin to retain the essential amount of water, assuring it a firm and youthful look
- **a softening effect:** thanks to the presence of wheat-germ oil that makes the skin smooth and velvety
- **a nourishing effect:** the steady use of the product helps prevent wrinkles and reduces the already existing ones.
